### 6.3 OHS Policy Statement

We, at STR are committed to providing a safe and healthy working environment for the prevention of work-related injury and ill health and free from drug and alcohol abuse.

In our business of manufacturing and distribution of plastic pipes, fittings, Roto products and accessory products, together with provision of related services, we have identified Occupational, Health and Safety risks and opportunities and have taken actions to address them, in line with our strategic direction.

During the provision of the service we shall ensure that work is carried out in a safe manner.

We are committed to comply with all applicable requirements and shall strive to eliminate hazards and reduce OHS risks.

In our drive for perfection we aim at continually improving the effectiveness of the OHS management System.

We believe in worker's engagement and in this context workers and their representatives are consulted and encouraged to participate actively in OHS initiatives.

This policy provides a framework for setting the OHS objectives and targets.

Let us all work together to make STR a safe and healthy place to work.
